VII EDITION

Media Consult, organizer of CENSE - Construction Entrepreneurs Networking Seminar, informs all its partners, sponsors and collaborators that this year, as a result of the Pandemic, our seminar will not be held in May. Covid-19 forced a new reality and our event will be no exception. Thus, CENSE will only take place for one day, and the chosen date was October 13th (Wednesday), by which time the North American population is expected to be vaccinated and protected from the coronavirus. Save the new date! Media Consult will soon provide more information about the event and sponsorship opportunities for 2021.

Visit www.mediaconsult.us for more information about the event. For inquiries call (973) 344-9150 or email mccconsult@gmail.com
